Get started with Compass

Compass is a web-based system, which allows you to access up-to-date and meaningful information about our school and your child's progress.

- Monitor your child's attendance, and enter an explanation for absence or lateness
- Communicate with your child's teachers, and update your family contact details
- View your child's timetable and the school calendar
- Monitor your child's homework and assessment tasks
- Download and view your child's academic reports
- Book parent-teacher conferences
- Pay and provide consent for events and school fees

Our school will advise parents when each of these features becomes available for parent use.
